Parikh Electric Corporation

Established in

1986

Building Electrical assets to Last a Lifetime

M/s. Parikh Electric Co. has grown into one of Ahmedabad's leading Electrical Consulting & Contracting firms.

 AHMEDABAD, INDIA

Who We Are

Company Overview

Delivering excellence in electrical distribution with end-to-end turnkey solutions for over three decades.

Turnkey & EPC Capabilities

Complete Engineering, Procurement, and Construction services for electrical infrastructure projects, ensuring seamless execution from concept to commissioning.

Comprehensive Service Spectrum

Expertise in Extra High Tension (EHT), High Tension (HT), Low Tension (LT), and Extra Low Voltage (ELV) systems tailored for diverse industrial needs.

Multi-Sector Expertise

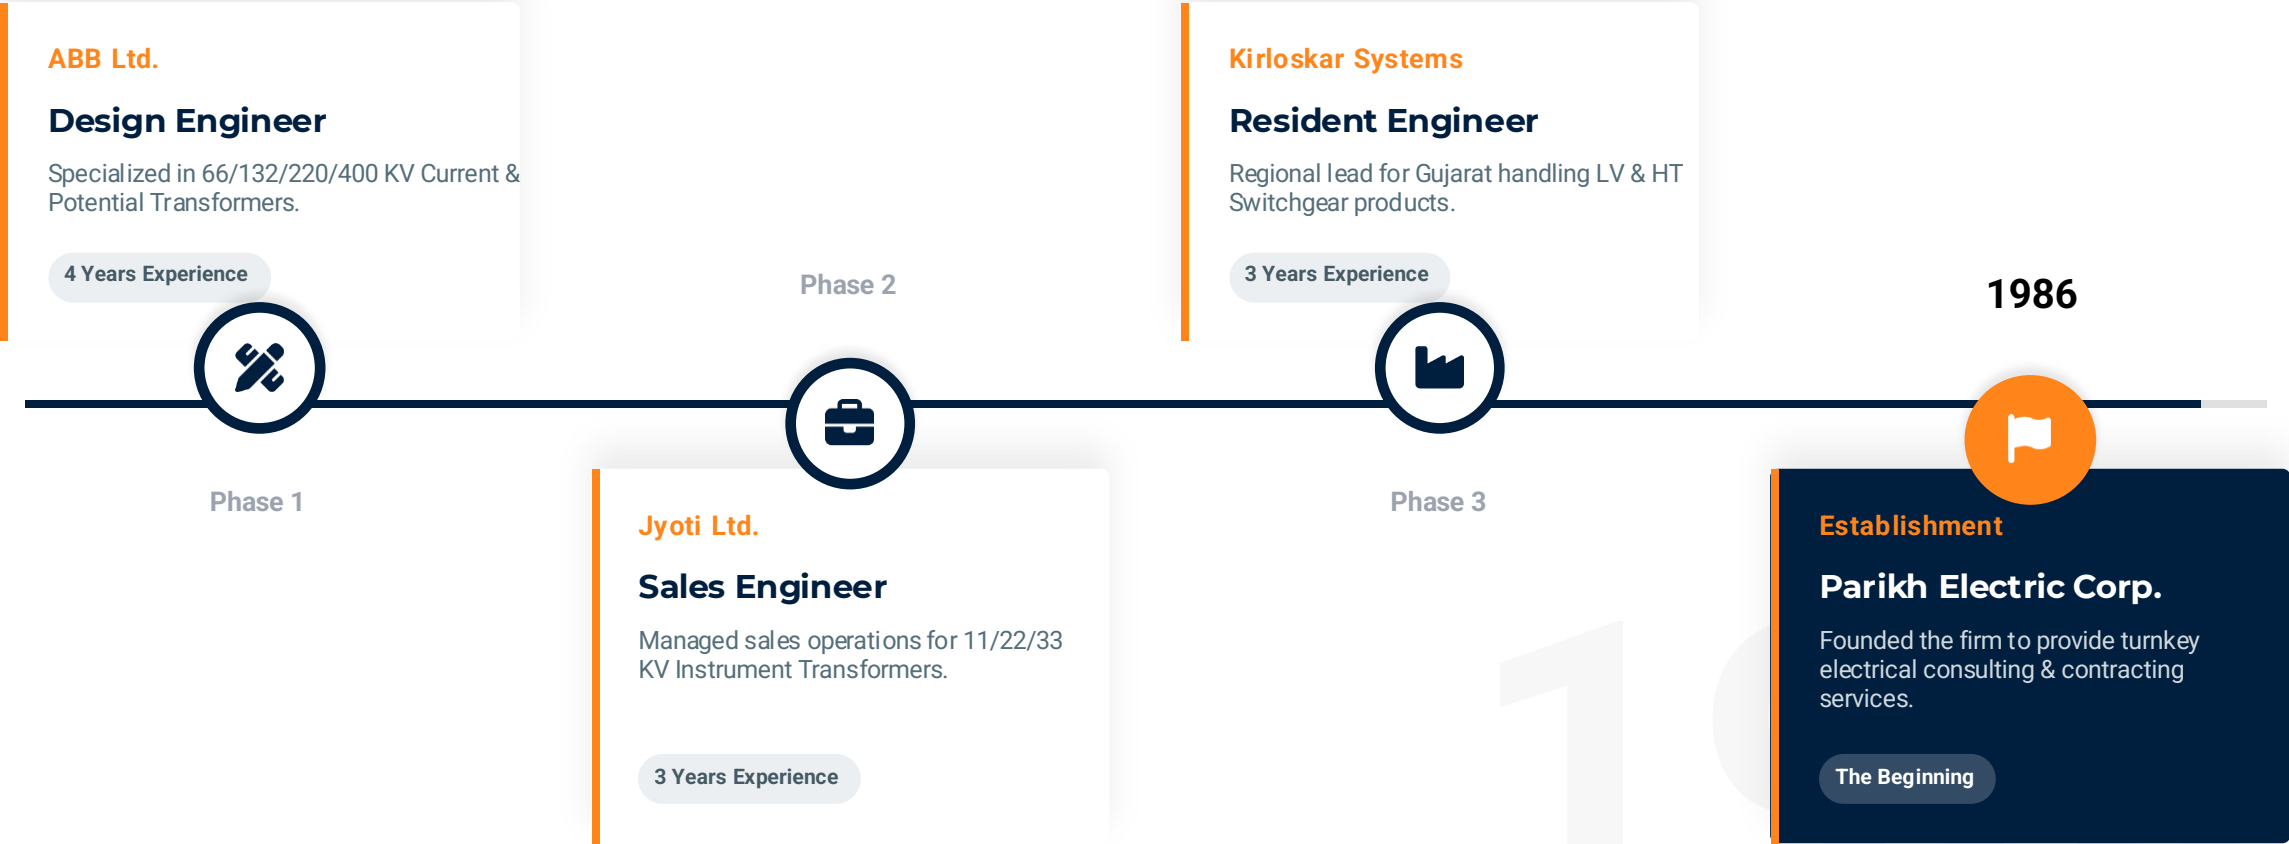

Proudly serving Townships, Commercial Spaces, Refineries, Petrochemicals, Power Plants, Retail, Banks, and Manufacturing Industries.

Quality & Compliance

Focused on statutory liaisoning, safety standards, and specialized lighting solutions, backed by a dedicated team for troubleshooting and AMC.

The Founder's Journey

Vision, Policy & Core Values

Our Vision

“Fostering an environment that helps in the creation of knowledge & its application to work, we seek to excel in all our business activities and strive to build PEC into a creative organization.”

The Policy

At Parikh Electric Corporation, we consider your electrical system to be an asset built to last a lifetime. Our policy is to ensure customer satisfaction as we do not compromise on the quality of material, workmanship, service and time. This is evidenced from our clients who have repeatedly awarded us with time bound projects of intricate nature

Core Values

- ✓ **Integrity**
Using approved materials & state-of-the-art technology.
- ✓ **Accountability**
Working as a team to build long-term client relationships.
- ✓ **Passion**
Ensuring health, safety, and welfare of employees & clients.
- ✓ **Quality**
Achieving quality standards by utilizing specified and approved quality materials, employing skilled and experienced manpower
- ✓ **Delivery**
fulfilling the client's need, and to this effect to we work as a team to achieve the ultimate success of

Why Choose Us

Core Competencies

01

Turnkey & EPC Execution

End-to-end management from detailed engineering and design to final commissioning, ensuring seamless project delivery.

02

Fully Licensed & Insured

Fully Licensed with all the legal compliance along with comprehensive Insurance coverage.

03

World class Workmanship

Proven Technical experience to deliver world-class engineering solutions.

04

Dedicated Service Network

Established setup for routine troubleshooting and Annual Maintenance Contracts (AMC), keeping us in constant touch with clients.

05

Quality & Safety Standards

Uncompromising policy on material quality, workmanship, and safety, evidenced by repeated orders from prestigious clients.

Our Capabilities

Range of Services

Detailed Engineering

Complete design & planning solutions.

- Site data collection
- CPM & PERT charts
- Relay coordination

HV Infrastructure

Turnkey EPC execution.

- 132/66/11 kV Switchyards
- Downstream works
- Substation design

Panel Distribution

Customized panel solutions.

- LT Panel Boards
- MPCC & MCC
- Process Control

Cabling Works

Robust connection networks.

- MV & LV Cabling
- DP Structure works
- Termination & Jointing

Lighting Solutions

Comprehensive illumination.

- Internal & External
- Specialized (Parks, Retail)
- Auditorium & Multiplex

Power Backup

Uninterrupted power supply.

- DG Sets installation
- UPS Systems
- Auto Source Changeover

Power Quality

Efficiency optimization.

- APFC System Design
- Complete Analysis
- Efficiency Improvement

Safety Systems

Protection for assets & life.

- Earthing Systems
- Lightning Protection
- Safety Audits

ELV Systems

Extra Low Voltage integration.

- Fire Detection & PA
- Security & Networking
- IBMS Integration

Support Services

Operational excellence.

- Annual Maintenance (AMC)
- Statutory Liaisoning
- Utility Approvals

Our Reach

Industry Expertise

Serving a diverse spectrum of industries with specialized electrical solutions.

Townships

Commercial Spaces

Manufacturing
